Not applicable

Road tax

Belgium has a toll road network for trucks, whereby trucks have to pay for the actual usage of the Belgium motorways on a km basis. The cost per km depends on the maximum permitted total weight of the combination, combined the environmental classification of the truck (EUR 1 - EUR 6)

The most important Toll tunnel in Belgium is the "Liefkenshoektunnel" connecting the right and the left bank of the river "Schelde" at Antwerp. The so called Left Bank Surcharge.
